THOMAS PRINTZ' PRIVATE BULLETIN. A BRIDGE TO FREEDOM PUBLICATION.

April 6th 1958. VOL. 7. NO. 1.

My Beloved Co-Workers in bringing Heaven's Kingdom to Earth:

I address you thus because your intelligent understanding of Our explanations of Cosmic activities has been of such great help to Us, and because your calls and your Transmission Classes have done so much in forwarding the Earth's evolution.

Expansion and unfoldment of beauty and glory is the Cosmic Spiritual Law which governs every Universe in every galaxy of creation. There is no such thing as a static expression of Life. The stars and suns and planets, with every beat of their cosmic hearts, expand their auras and spheres of influence to a greater extent in the Solar System, just as an infant stretches his limbs to insure growth, so do these Cosmic Planetary Lords, expanding the Cosmic Substance by Their Breath, intensify and increase the luminosity of Their particular foci in the galaxy in which They are expressing Themselves.

The Great Minds that create a Universe know no time nor space. These grea God-Focuses seen in the sky are fluidic because the expansion of the whole Solar System knows a certain elasticity in unfoldment, and the corresponding system automatically unfolds and cooperates in like proportion, so that there is no such thing as accident or confusion in its Spiritual growth.

Coming back to the smaller sphere on which you now dwell, dear hearts, you have evidence, today in man's strivings to overcome the hazards of living in outer space, of what your calls are doing for the Earth's expansion. The Electronic Light which has been sent forth through your calls has caused an acceleration in the reaching upward and outward of the great scientific minds of Earth, has caused the bursting of Earth's imprisoning bonds, and has done much towards helping Her assume Her proper place in Our Solar System. My gratitude and blessings are yours. As you have been told, there is not only a balance to be met in the Universal Record, but there is a service that the Earth MUST perform to Universes yet unborn which can only come as the whole planet pours forth more and more Light. The sum-total of Electronic Light Substance required to be released from the Earth can only be met as each lifestream using the Earth as a schoolroom gives of the maximum of its outpouring.

Again I pause here to say - Thank you - to each one of you (a small handful as compared with Earth's population) for what you are doing for this planet.

As you know, countless hundreds of thousands of tons of the Primal Essence of God (pre-ordained to be The Light of the Earth) have passed through each one and have been misused. Every electron of this Substance must now be redeemed. Your good work towards redeeming this Substance is seen and appreciated not only by the Ascended Masters but by the other Members of this Solar System and entire galaxy, Who are patiently awaiting the obedience of the Earth to the Cosmic Fiat to give forth more light. I bring you Their Love and Blessing.

THE MAHA CHOHAN.
